

TABLE OF CONTENTS

Behavioral Objectives	13
Behaviorology.....	13
Definition and History.....	13
Philosophy of Natural Science	14
<i>Natural Science</i>	14
<i>Radical Behaviorism</i>	17
<i>Modes of Causation</i>	18
<i>Selection by Consequences</i>	18
Behavior Analysis	20
Ethology	21
Medical Paradigm	22
Orientation of This Book	23
Continuing Education.....	23
Behavioral Objectives	25
Introduction	25
Environment–Behavior Functional Relations.....	27
Behavior, Stimulation, and Functional Relations	27
<i>Behavior</i>	27
<i>Categories of Behavior</i>	32
<i>Operant versus Respondent Behavior</i>	32
<i>Stimulation</i>	35
<i>Functional Relations and Contingencies</i>	36
<i>Structure of Operant Contingencies</i>	36
<i>Respondent Contingencies</i>	41
<i>Conditioning</i>	41
<i>Definition</i>	41
<i>Effects of Conditioning on Behavior</i>	42
<i>Why Do Reinforcers Function as Such?</i>	42
<i>Contingency Analyses</i>	44
<i>Depicting Contingencies</i>	44
<i>Analyzing Episodes of Behavior</i>	47
<i>Component Contingencies in the Three-Term Contingency</i>	49
<i>Externalizing Contingencies</i>	50
<i>Increasing Complexity in Accounting for Behavior</i>	51
Operant Conditioning.....	52
Postcedent Principles, Processes, and Procedures	52
<i>Law of Effect</i>	52
<i>Foundational Terms and Categories</i>	53
<i>Reinforcement</i>	58
<i>Added Reinforcement</i>	58
<i>Subtracted Reinforcement</i>	60
<i>Some Potentially Confusing Distinctions</i>	61
<i>Punishment</i>	62
<i>Added Punishment</i>	63
<i>Subtracted Punishment</i>	64
<i>Extinction</i>	65
<i>Variables Influencing Effectiveness of Reinforcement</i>	67

The Science and Technology of Dog Training

<i>Contiguity</i>	67
<i>Contingency</i>	68
<i>Motivating Operations</i>	68
<i>Variables Influencing the Effectiveness of Punishment</i>	68
<i>Contiguity</i>	68
<i>Contingency</i>	69
<i>Intensity</i>	69
<i>A Note on the Rationale for Using Punishment Effectively</i>	69
Antecedent Principles, Processes, and Procedures.....	70
<i>Stimulus Control</i>	70
<i>Terms and Relations</i>	70
<i>Generalization and Discrimination Training</i>	71
Generalization.....	71
Discrimination.....	73
<i>Transferring Stimulus Control</i>	74
<i>Prompting</i>	76
<i>Function-Altering Stimuli</i>	78
<i>Motivating Operations</i>	78
Terms, Processes, and Distinctions.....	78
Differentiating Between Motivating Operations and Evocative Stimuli.....	82
Differentiating Between Motivating Operations and Other Function-Altering Stimuli.....	82
Elicitation of Emotional Arousal as Motivating Operations.....	83
<i>Other Function-altering Stimuli</i>	87
<i>Depicting Function-altering Stimuli in Contingency Analyses</i>	87
Schedules of Added Reinforcement.....	88
Simple Schedules of Added Reinforcement.....	88
<i>Continuous Reinforcement</i>	88
<i>Extinction</i>	89
Intermittent Reinforcement.....	90
<i>Fixed Ratio Schedule of Added Reinforcement</i>	90
<i>Variable Ratio Schedule of Added Reinforcement</i>	91
<i>Fixed Interval Schedule of Added Reinforcement</i>	92
<i>Variable Interval Schedule of Added Reinforcement</i>	93
<i>Fixed Duration Schedule of Added Reinforcement</i>	93
<i>Variable Duration Schedule of Added Reinforcement</i>	93
<i>Schedule Extensions</i>	94
<i>Limited Hold</i>	94
Compound Schedules of Reinforcement.....	95
<i>Differential Reinforcement</i>	95
<i>Differential Reinforcement of Incompatible Behavior</i>	97
<i>Differential Reinforcement of Alternative Behavior</i>	97
<i>Differential Reinforcement of Other Behavior</i>	97
<i>Differential Reinforcement of Successive Approximations of a Terminal Behavior (Shaping)</i>	98
Respondent Conditioning.....	99
Terms, Principles, and Processes.....	99
Other Respondent Processes.....	101
The Importance of Respondent Conditioning.....	102
Informal versus Formal Measurement.....	104
Measures of Behavior.....	105
<i>Count</i>	105
<i>Rate</i>	105
<i>Relative Frequency</i>	106
<i>Duration</i>	107

The Science and Technology of Dog Training

<i>Latency and Inter-response Time</i>	108
<i>Topography and Extensity</i>	108
Choosing Among Measures of Behavior	108
Tracking the Target Behavior through Time	109
Continuing Education	114
Behavioral Objectives	116
Introduction	116
Why is the Occurrence of Aversive Stimulation so Pervasive?	116
Problematic Effects of Aversive Stimulation	117
Respondent Side-effects: Aversive Emotional Arousal and Conditioning	118
Operant Side-effects: Escape Behavior	119
Clarifying Punishment and its Role in Changing Behavior	120
Punishment is Less Efficient than Extinction	120
Some Problems with Effective Punishment	121
Does Punishment “Work”?	122
Behavioral Objectives	125
Introduction	125
Avoiding Extremism and Dogmatism	125
Aversiveness-Ratcheting Strategies	129
Emphasizing Constructional Added Reinforcement-Based Methods	131
Why Implement the Constructional Added Reinforcement-Emphasized Behavior Change Strategy?	132
The Strategy	133
Behavioral Objectives	142
Clicker and Treat Pouch	142
Distance Training Device	143
Restraints	143
What Not to Use	144
Behavioral Objectives	146
Graded Errorless Training	146
<i>Thorndike’s Trial-and-Error Approach</i>	147
<i>A More Robust Perspective on Shaping</i>	148
<i>Prompts and Other Antecedent Control</i>	149
<i>Terrace’s Errorless Discrimination Procedure</i>	149
<i>Goldiamond’s Constructional Orientation</i>	150
<i>Shifting Paradigms and the Shaping of the Errorless Training Approach</i>	151
<i>Application of the Errorless Training Approach</i>	152
<i>The “Graded Errorless Approach”</i>	153
General Systematic Training Process	153
Phase 1. Preliminaries	156
Planning and Preparation	156
<i>Identifying and Defining the Target Behavior</i>	156
<i>The Target Behavior</i>	156
<i>Preparing a Formal Behavior Objective</i>	159

The Science and Technology of Dog Training

<i>Assessing the Subject's Current Proficiency</i>	159
<i>Formal Behavior Objective Components</i>	160
<i>Functional Behavioral Assessment</i>	160
<i>Final Word on Formal Behavior Objectives</i>	162
Identify Reinforcers and Establish the Conditioned Reinforcer	163
Phase 2. Acquisition Stage Training	164
Antecedent Tactics	165
<i>Prompting</i>	165
<i>Motivating Operations</i>	165
Postcedent Tactics	166
<i>Reinforcement</i>	166
<i>Identify the Required Procedure</i>	168
<i>How to Handle Non-criterion Responses</i>	169
Phase 3. Fluency Stage Training.....	173
Planning Fluency Stage Tactics	174
<i>Begin Fading Prompts</i>	175
<i>Begin Thinning the Schedule of Reinforcement aka Stretching the Ratio</i>	177
<i>Refine Form, Latency, and Speed</i>	177
<i>Bring Behavior under Stimulus Control</i>	180
<i>Proof against the Three D-Parameters (Distraction, Distance, and Duration)</i>	180
<i>Distraction</i>	182
<i>Distance</i>	182
<i>Duration</i>	183
<i>Discrimination Training</i>	183
<i>Introduce Release Stimulus</i>	184
Phase 4. Maintenance Stage Training	185
Working Toward Maintenance of Fluency	185
Constructing a Systematic Training Plan: Putting it all Together	186
10 Laws of Training	191
Continuing Education.....	192
Behavioral Objectives	193
Introduction	193
Shaping	194
Definition and Appropriate Uses	194
Planning Behavior Objectives and Lists of Behavior Approximations	197
Implementation of the Shaping Plan	198
Chaining.....	201
Definition and Elements.....	201
Constructing and Validating a Task Analysis	202
Assessing Level of Proficiency of Requisite Behaviors	204
Training the Component Behaviors	204
Behavior Chaining Methods	204
<i>Forward Chaining</i>	205
<i>Forward Chaining Method 1</i>	205
<i>Forward Chaining Method 2</i>	205
<i>Backward Chaining</i>	206
<i>Quality of the Chain</i>	207
Sequencing.....	207
Continuing Education.....	208

The Science and Technology of Dog Training

Behavioral Objectives	209
Introduction to Verbal Behavior.....	209
Encouraging Productive Verbal Behavior	211
General Strategy for Training Humans.....	212
Establish Objective	213
Describe, Explain, and Demonstrate	214
Assess Proficiency	216
Follow-up.....	217
Training Groups of People.....	217
Continuing Education.....	219
Behavioral Objectives	220
Name.....	221
Phase 1. Preliminaries	221
Phase 2. Acquisition	222
Phase 3. Fluency.....	222
Phase 4. Maintenance	223
Sit	223
Phase 1. Preliminaries	223
Phase 2. Acquisition	224
Phase 3. Fluency.....	225
<i>Begin Fading Prompts</i>	225
<i>Begin Thinning the Schedule of Reinforcement</i>	227
<i>Refine Form, Latency and Speed</i>	227
<i>Bring Behavior under Stimulus Control</i>	228
<i>Proof against the Three D-Parameters</i>	228
<i>Discrimination Training</i>	230
<i>Introduce Release Stimulus</i>	230
Phase 4. Maintenance	231
Common Challenges.....	232
Down.....	232
Phase 1. Preliminaries	232
Phase 2. Acquisition	233
Phase 3. Fluency.....	234
Phase 4. Maintenance	235
Common Challenges.....	235
Stand	237
Phase 1. Preliminaries	237
Phase 2. Acquisition	237
Phase 3. Fluency.....	238
Phase 4. Maintenance	239
Common Challenges.....	239
Wait.....	239
Phase 1. Preliminaries	239
Phase 2. Acquisition	240
Phase 3. Fluency.....	241
Phase 4. Maintenance	242

The Science and Technology of Dog Training

Common Challenges	243
Take It / Drop It.....	243
Phase 1. Preliminaries	243
Phase 2. Acquisition	244
Phase 3. Fluency	245
Phase 4. Maintenance	246
Common Challenges	246
Here (Recall)	247
Phase 1. Preliminaries	247
Phase 2. Acquisition	250
Phase 3. Fluency	252
Phase 4. Maintenance	254
Common Challenges	254
Off.....	254
Phase 1. Preliminaries	254
Phase 2. Acquisition	256
Phase 3. Fluency	257
Phase 4. Maintenance	258
Common Challenges	258
Let's Go (Walking on a Loose Leash).....	259
Phase 1. Preliminaries	259
Phase 2. Acquisition	261
Phase 3. Fluency	262
Phase 4. Maintenance	263
Common Challenges	263
<i>Rehearsal of Pulling</i>	263
<i>Diehard Puller</i>	264
<i>Trailing Behind</i>	264
<i>Dog is Too Strong or Big Compared to Guardian</i>	265
<i>Dog is "Crazy"</i>	265
Go to "Bed"	266
Phase 1. Preliminaries	266
Phase 2. Acquisition	268
Phase 3. Fluency	268
Phase 4. Maintenance	270
Common Challenges	270
Continuing Education.....	270
Behavioral Objectives	272
Multi-Dog Training.....	272
<i>Train Each Dog Individually</i>	272
<i>Train in Pairs</i>	273
<i>Train in Groups</i>	273
Training Toy Breeds	273
Social Contact not an Effective Reinforcer.....	274
Food not an Effective Reinforcer	275
Hyperactivity	276

The Science and Technology of Dog Training

General Sensitivity and Risk Averse.....	276
Easily Frustrated and Impulsive	277
Continuing Education.....	277
Behavioral Objectives	278
Exercise #1. The Bouncing Ball Exercise	278
Exercise #2. The Tossed Ball Exercise	280
Exercise #3. The Ball and Treat Exercise	281
Exercise #4. Planning List of Behavior Approximations for Shaping.....	282
Exercise #5. Free-Shaping a Friend	284
Planning Stage (You as Trainer)	285
Training Stage (You as Trainer)	285
Exercise Analysis (You as Trainer).....	286
Planning Stage (You as Subject).....	287
Training Stage (You as Subject).....	287
Exercise Analysis (You as Subject)	288
Exercise #6. Targeting.....	288
Planning Stage.....	289
Training Stage.....	290
Exercise Analysis	291
Exercise #7. Simple Shaping Project.....	291
Planning Stage.....	292
Training Stage.....	292
Exercise Analysis	293
Exercise #8. Task Analysis for Chaining	295
Exercise #9. Simple Chaining Exercise.	296
Planning Stage.....	297
Training Stage.....	297
Exercise Analysis	298
Exercise #10. Discrimination and Generalization Training	298
Training Stage.....	299
Exercise Analysis	300
Continuing Education.....	300
